## VoIP CallShop

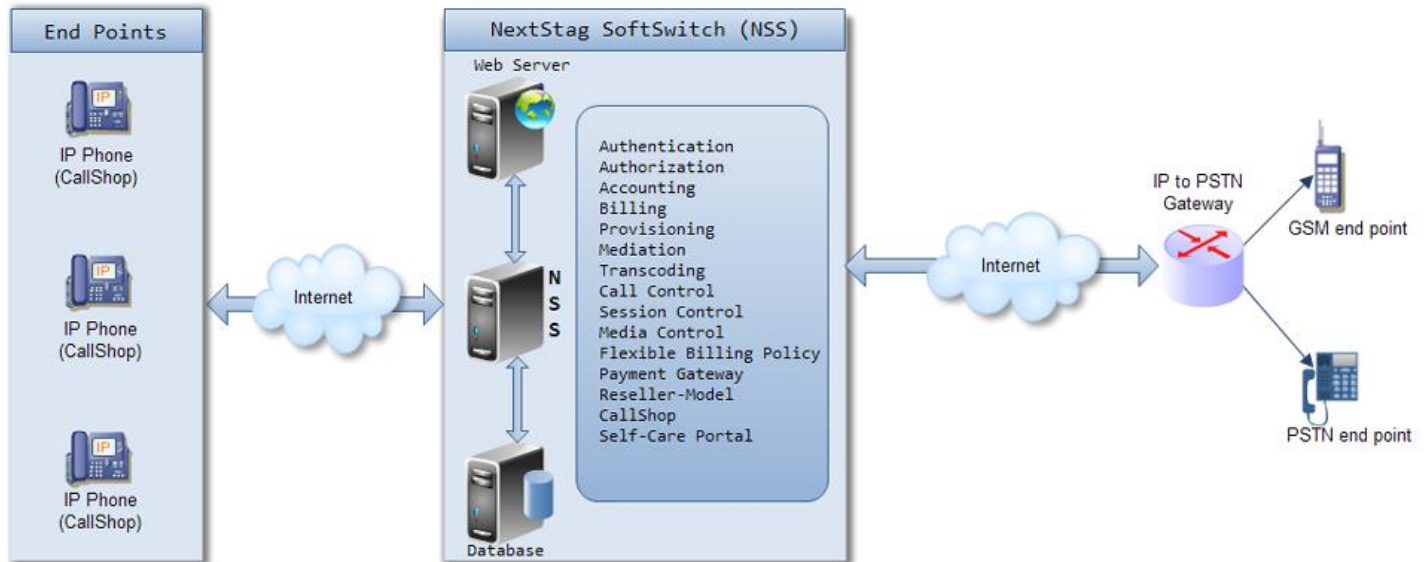

### Overview

NextStag callshop provides a feature rich platform for outbound calls to callshop owners. Nextstag callshop provides a platform from where a customer can make domestic or international calls. Nextstag callshop has a powerful billing system to bill all the calls made through various booths of the callshop. Nextstag callshop comes with a user friendly web interface which allows you to manage the booth, see the active calls, check the billed amount, and see call statics ordered by booth, destination, time period. Nextstag Call Shop benefits you by simplifying the process of owning, managing and billing your customers at your call shops.

### VoIP CallShop Features

- User friendly web interface.
- Locking unlocking of booth.
- Multi Currency Support.
- Real time billing.
- Real time call monitoring.
- Call detail records (CDR) and billing report of each booth.
- Instant CDR reporting based on booth, destination, time period (daily, weekly, monthly, yearly).
- See billed amount by clicking on booth number.
- Print bills at the end of call from user interface.
